Space & Naval Warfare Systems Command Awards Contract

Stratos Mobile Networks (USA) LLC was awarded a competitive indefinite-delivery / indefinite-quantity contract for INMARSAT-B High Speed Data Channel leases. The not-to-exceed contract value is \$6,956,789 with the first delivery order issued in the amount of \$2,154,299. This contract will provide INMARSAT-B service at 64Kbps to the USS Enterprise and Kitty Hawk battlegroups, with associated terrestrial connectivity to Navy Points of Presence in Norfolk, VA or Wahiawa, HI. The service will be available 24 hours a day, 7 days a week. Period of performance begins September 10, 1998, and may extend through June 1999 if additional orders are placed. Work will be performed in Bethesda, MD; Kunsan Air Base, South Korea; and Laurentides, Quebec, Canada. Funds obligated for the first delivery were FY 98 O&MN, expiring (for obligation purposes) at the end of the fiscal year. This contract was competitively procured with two offers received. The Space and Naval Warfare Systems Command, San Diego is the contracting activity (N00039-98-D-4001).
